9 & 10 June 2021

BIOGRAPHY

AMBROISE FAYOLLE

VICE-PRESIDENT, EUROPEAN INVESTMENT BANK (EIB)

Ambroise Fayolle was appointed Vice-President of the European Investment Bank in February 2015. He is currently responsible for climate action and environment, development policy, the European Fund for Strategic Investments, and is Board member of the European Investment Fund. He also oversees the activities of the Bank in France, Germany and many countries in Africa and of the Pacific Ocean. A graduate of the Ecole Nationale d'Administration (ENA), he spent most of his career in various positions at the French Treasury Department and in the IMF and the World Bank, including as a Board member of the two institutions for 6 years
