## BIOGRAPHY

### MICHAEL PARKS

#### Director of Sustainability, Treasury Wine Estates

Michael has been working in sustainability for nearly 20 years with extensive experience across the field of sustainability; from strategy development and execution, governance, stakeholder engagement and reporting to on-the-ground environmental management. He's cultivated this experience from working with well known brands and companies across the globe who were seeking to navigate shifting stakeholder expectations and dynamic competitive environments. Most recently he has been leading the sustainability transformation at Treasury Wine Estates.
