## BIOGRAPHY

### **MATTHEW MC.CALMAN**

#### **Head of Investments, Treasury, Asian Infrastructure Investment Bank (AIIB)**

Matthew is the Head of Investments within the Treasury at AIIB, overseeing the liquidity portfolio including internally and externally managed portfolios. Prior to arriving at AIIB, Matthew was the Head of the Investment Desk at Toronto Dominion Bank in Singapore and held several roles in fixed income trading. He has over 20 years of financial markets investing and trading experience covering a broad range of products including credit and structured products, interest rate and cross currency derivatives, and emerging markets debt. Before working with TD, he was a fixed income portfolio manager with Alliance Bernstein Australia and held trading roles with Treasury Corporation of Victoria. He began his career as an economist with the Australian Commonwealth Treasury. Matthew holds a MSc from K.U. Leuven (Belgium), B.Ec (honors) from Australian National University, and BCom from University of Melbourne.
