2022 | NAVIGATING THE TRANSITION

## BIOGRAPHY

### STEFANO VENIER

#### CEO, Snam SpA

Stefano Venier is the CEO of Snam, one of the leading companies in the energy infrastructure industry worldwide, since April 2022.

Born in Udine in 1963, he graduated in IT from the University of Udine and completed a Master's degree in Energy and Environmental Management and Economics from the Scuola Superiore Mattei. He is a Member of the Board of Directors of the MIB Trieste School of Management.

From 2004 to 2022 he worked at Hera, an Italian multi-utility company covering roles of increasing responsibility before being appointed as CEO in 2014.

From 1996 to 2004 he was a Senior Consultant at AT Kearney for the energy, telecommunications and automotive sector and later Vice-Chairman of Energy & Utilities.

From 1989 to 1996 he worked for the Eni Group in positions of increasing responsibility, both at national and international level.

He began his career in 1987 with Electrolux, where he worked in the industrial automation division.
