

# SUSTAINABLE FUTURE FORUM

2022 | NAVIGATING THE TRANSITION

## BIOGRAPHY

### TANAH SULLIVAN

#### Group Head of Sustainability, GoTo

Tanah Sullivan is the Group Head of Sustainability at GoTo and leads its environmental, social and governance (ESG) efforts across Gojek, GoTo Financial and Tokopedia.

Before GoTo, Tanah was at the World Economic Forum in Switzerland, where she led partnerships for a range of sustainability-focused initiatives in ASEAN and globally. She led the Forum's efforts on issues such as energy transition, circular economy, food security, gender equality, deforestation and financial inclusion, among others.

Previously, Tanah held various public sector roles with the Canadian and Australian governments, covering international security, development, natural resource security as well as foreign trade and investment.

Tanah holds a Bachelor's degree in International Relations from Bond University and a Master of Political Economy from the University of Melbourne, Australia.
